

## Boland Schools Hockey

---

Dear Parents and School Hockey Representatives

As we progress to the final IPT trials please note the following:

The Boland committee decided to do away with the R1000 deposit due to the high administration burden.

In future when a player gets elected for a team, a R 2,000 non-refundable deposit must be paid into the Boland High Schools Hockey Account before 13 May 2018(see details below). This is a non-refundable payment – if a player withdraws without a medical certificate/valid reason, this deposit will not be returned.

We need this deposit to ensure that tickets and kit deposit are covered
